17 - 24

Are you aged 17 to 24 years old?

Do you have an Educational, Health and Care Plan (EHCP)?

National charity United Response can help you find a work experience place you will love!

We have teamed up with Home Group, a housing association and charity, to offer job seekers the chance to try different roles as part of a supported internship scheme.

There are lots of roles to choose from, including:

Office Administrator

Front of House/Host

Facilities Assistant

All roles will help you get better at team working and communicating with others.

You will have support in your placement from a Job Coach, to help you learn what to do and feel confident.

They will also help you get ready to take the next step and find a paid job.
